1 She's ne - ver co - ming back, So put your hope to rest.

4 Sun - ny's col - ors shone right through, And Sun - ny failed the test. She

11 In my heart I have hope— I am so op - ti - mis - tic, And

Give it up. Just let it go. I am

45

twice the daugh - ter Sun - ny was, In case you did - n't know. She made her

47

call. She shut the door. I think it's

49

safe to say She does - n't need us an - y - more. Sun - ny's

51

gone, but I am here. I've stood be - side you from the start, But you

53

act like Sun - ny Holds a big - ger place in - side your heart. I've been

55

faith - ful. I've done ev - ry thing you e - ver asked me to. Dad - dy,

 love me like you love her? Would I stand a bet - ter chance?

 Hunter
 We

75

 We
